

Ways to protect your health

By keeping dirt from getting into your house and into your body

Do not let children play in bare dirt

Children and adults should remove shoes before walking into home

Don't eat food, chew gum, or smoke when working in the yard and wear gloves

Damp mop floors and damp dust counters and furniture regularly

Wash dogs regularly

Wash children's toys and babies' pacifiers regularly

Wash children's hands and feet after they have been playing outside
